A LA ROYNE MARGVERITE.

MADAME,

Puis que toute l'Antiquité ſacrifioit aux graces pour obtenir quelque grace en leurs labeurs, quelqu'vn peut il trouuer eſtrange ſi les plus rares eſprits de ce ſiecle, dédient leurs inuentions à voſtre MAIESTÉ, qu'ils recognoiſſent non ſeulement pour l'vne d'icelles, mais pour la Royne des graces en laquelle reluiſent auec verité toutes les perfections imaginaires des trois autres? Chacun à la foule porte en voſtre Royalle maiſon, comme en vn Temple, ce qu'il a de plus precieux, non pour vous donner, ou pour receuoir, mais pour tirer de vous vne ſecrette influence, qui bien-heurant leur trauail, le rende apres agreable aux yeux & aux oreilles du public. C'eſt ce qui me donne maintenant l'aſſeurance, MADAME, de m'aduancer parmy ceſte preſſe, & taſcher par le moyen de la Muſique (à

laquelle voſtre MAIESTÉ a vne particuliere inclination) de paruenir iuſques au troſne de voſtre Royalle grandeur pour luy deuoüer mon treſ-humble ſeruice, & luy repreſenter que ſi ma baſſeſſe ne luy peut offrir que de l'harmonie, mon affection eſt toutesfois aſſez puiſſante pour conſacrer ſon ſang & ſa vie à ſa hauteſſe.

Voſtre treſ-humble & treſ-obeiſſant ſeruiteur,

EVSTACHE DV CAVRROY.

A MONSIEVR DV CAVRROY.

Svr sa Mvsiqve.

S'ESBAHIT-*on ſi tes Motets*
Ne reſpirans que ſaintes flames,
Par tant d'inimitables traits
Eſmeuuent tant de belles âmes?
Ils eſmouuroyent meſme les morts
S'ils en entendoyent les accords.

O. D. L. N.

SONNET.

C'EST beaucoup de chanter l'Amour qui nous agrée,
Et d'auoir pour loyer le myrthe Paphien,
Mais c'eſt tout de gaigner le laurier Delphien
Pour chanter du grand Dieu la loüange ſacrée.
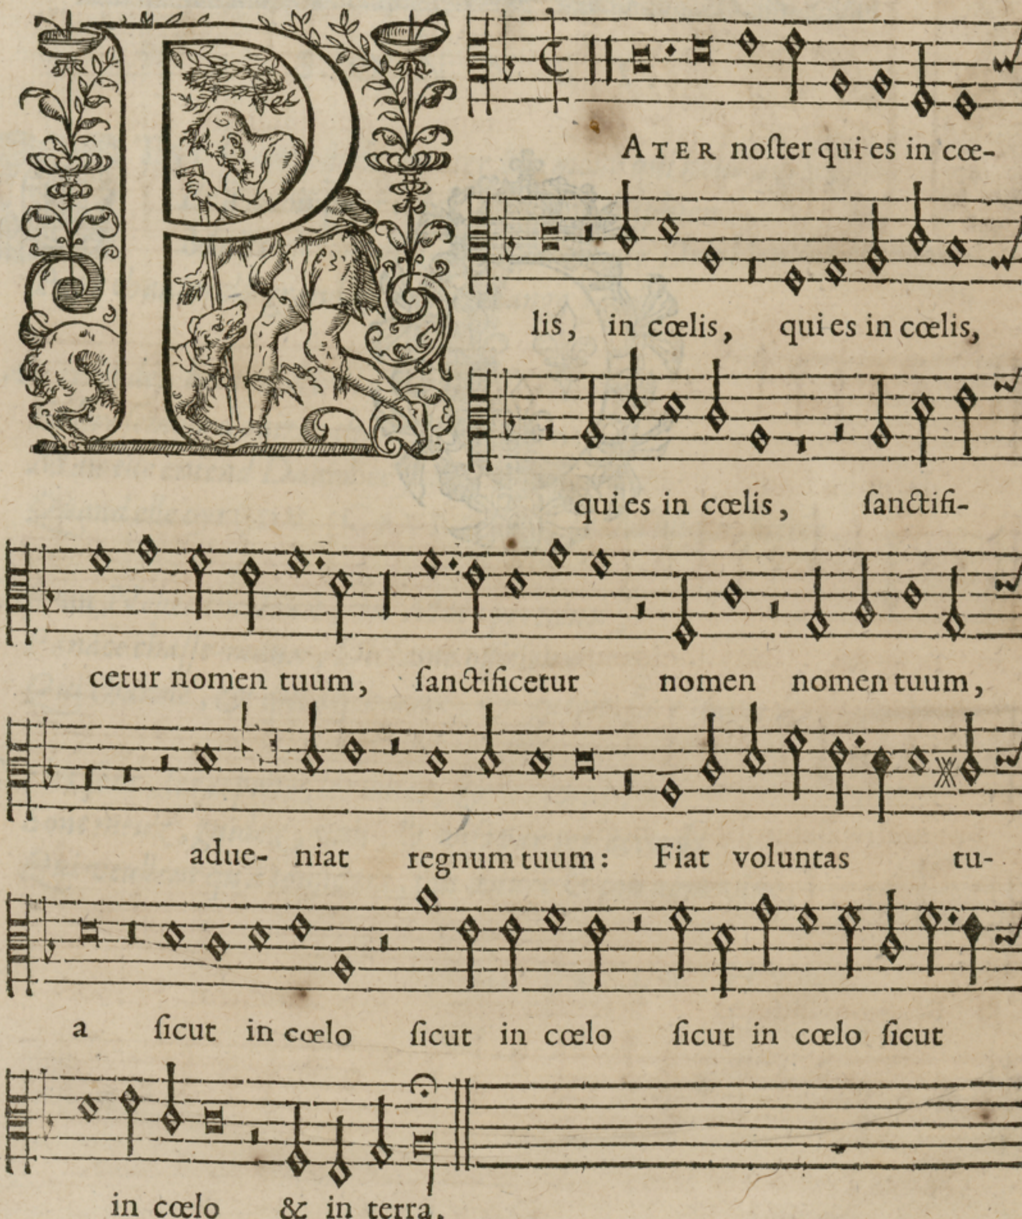

Au recit des beaux Airs la France ſe recrée,
Et luy ſemble d'ouir ce chantre Thracien:
Mais elle entend Dauid ce ſainct Muſicien,
Quand elle oyt (DV CAVRROY) ta Muſique ſucrée.
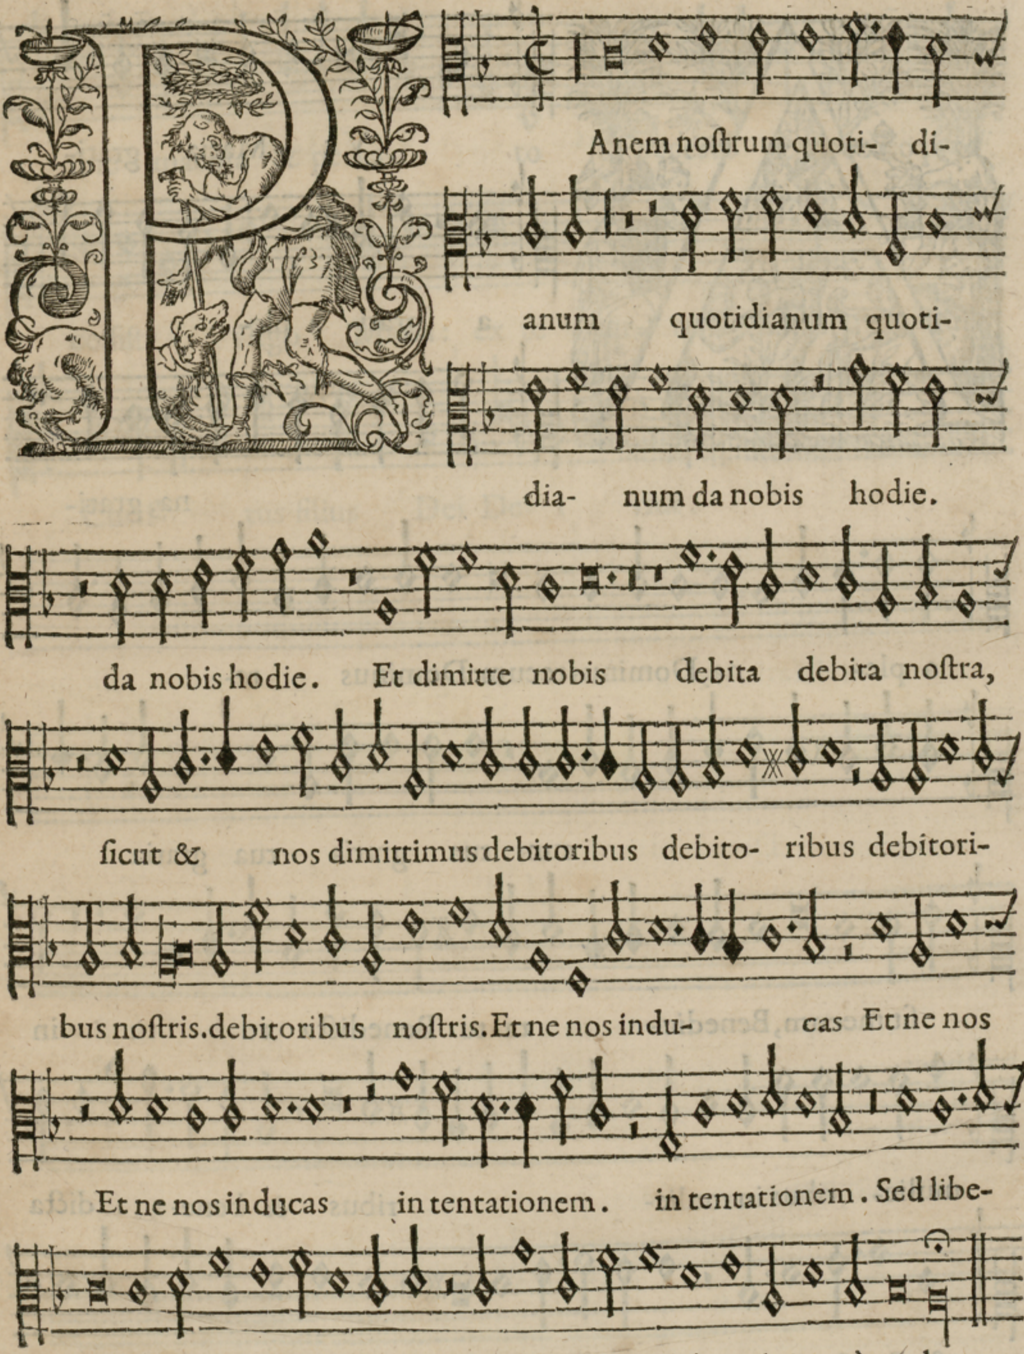

C'eſt vn Nepenthe doux, vn Moly precieux,
Panâce chaſſe-maux, Dictame officieux,
Qui charme, & qui deſcharme, & guerit, & r'auiue.
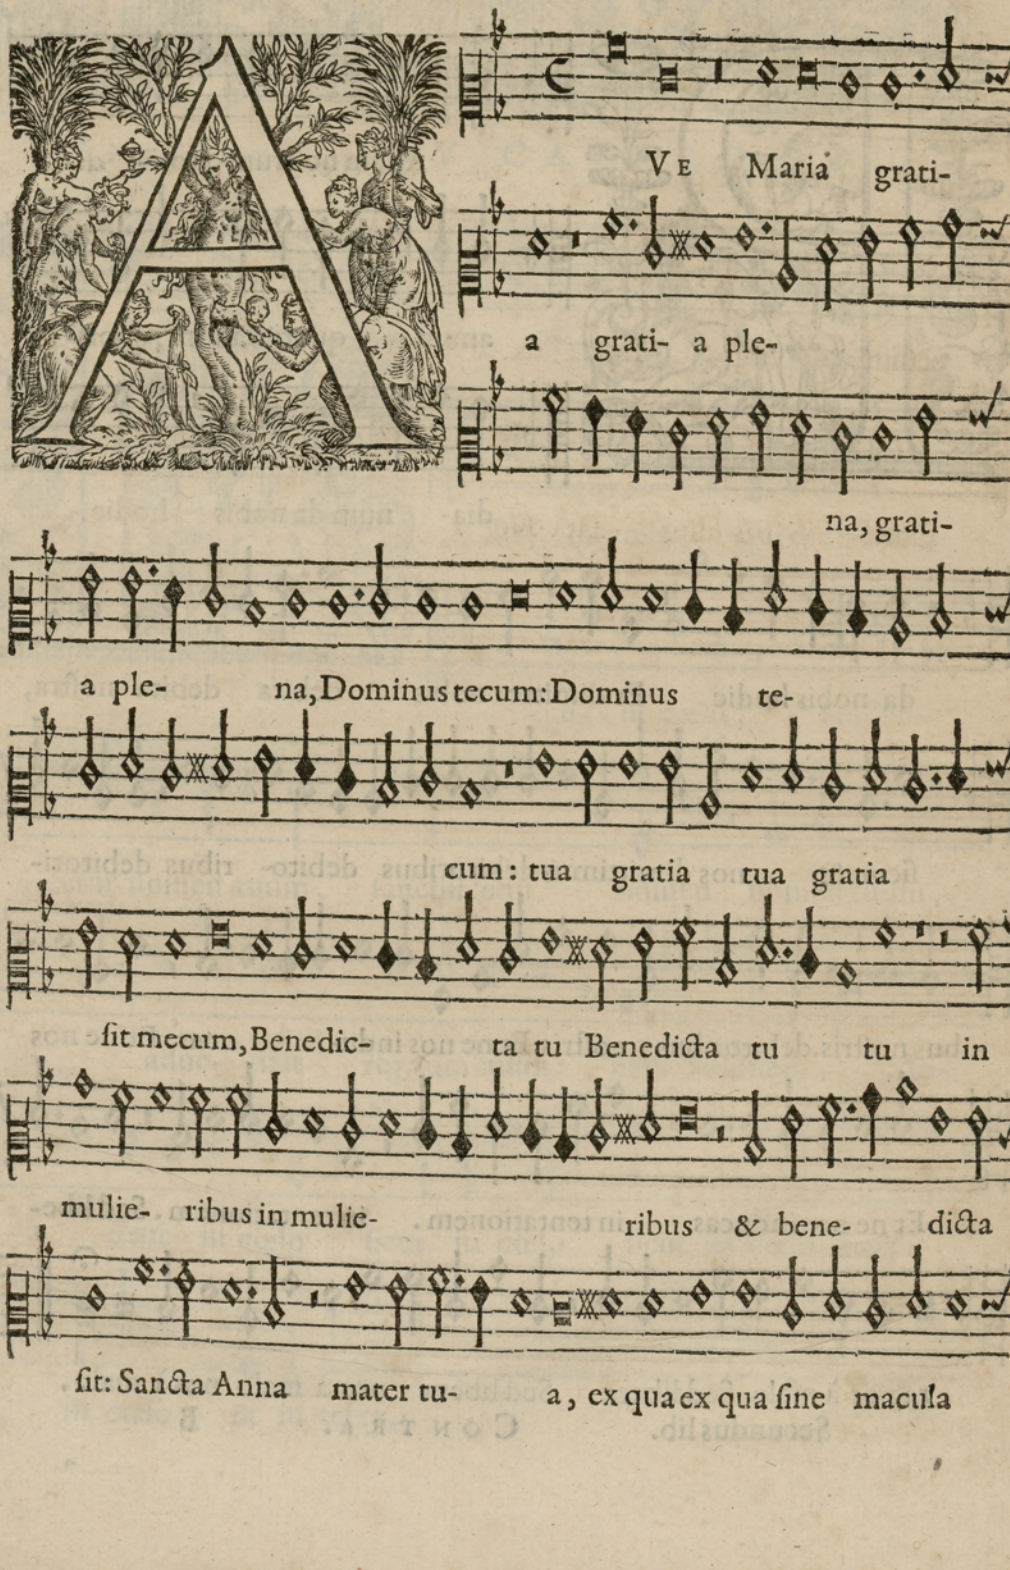

Car les ſens, les eſprits, les âmes, & les corps,
Sont meuz, guidez, vnis, & vifs par tes accords
Qui veullent qu'à touſiours, ton œuure & ton nom viue.

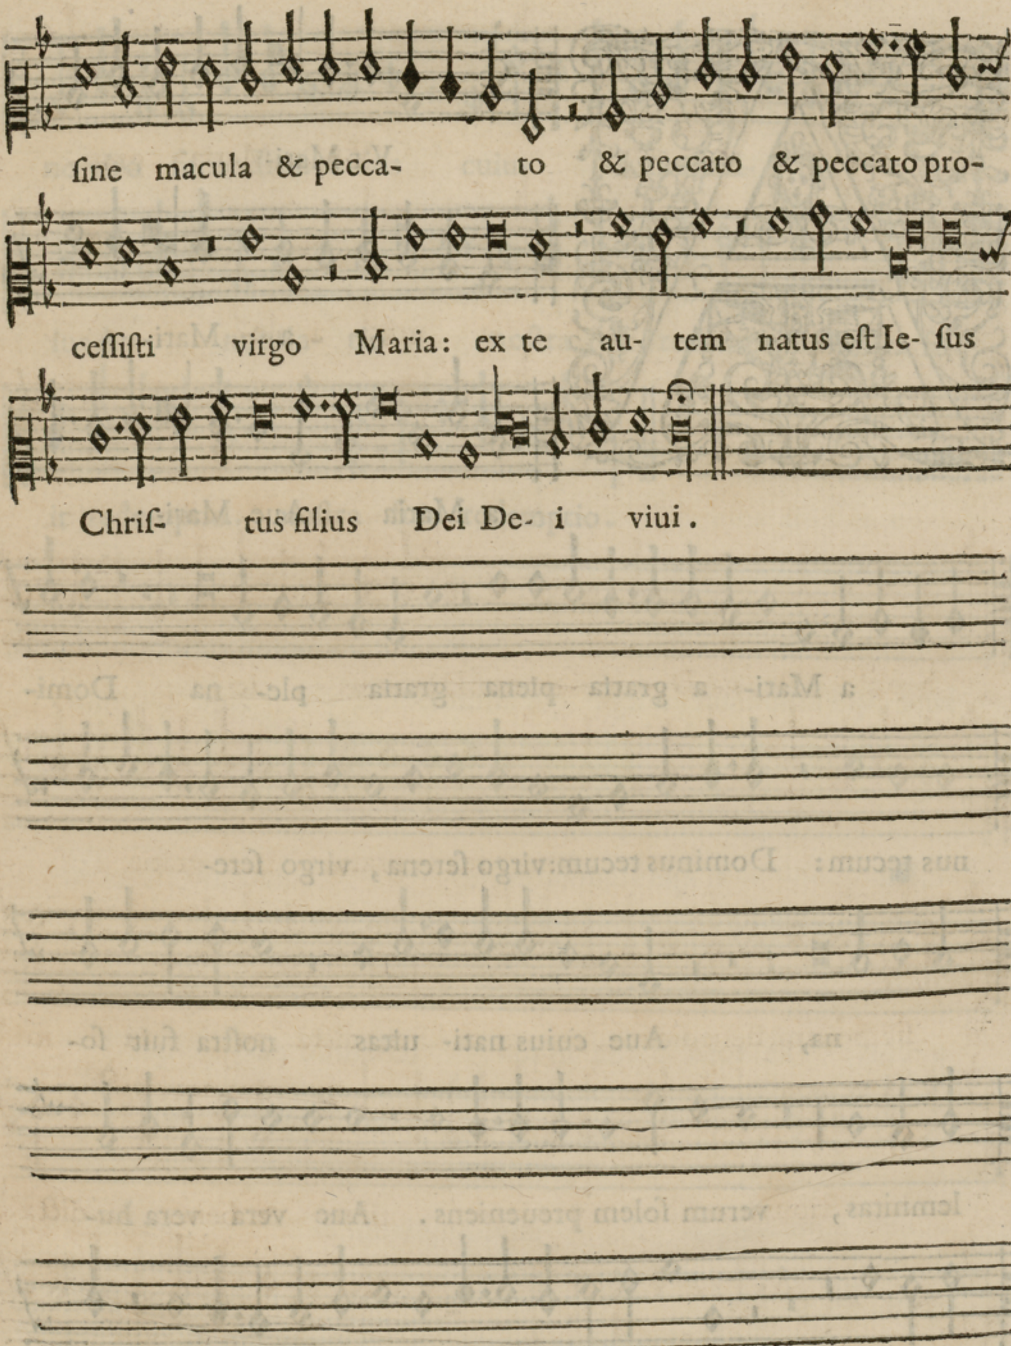

L. DE LA HYRE.
